Discover the Cypress—a luxurious 3,392-square-foot home that perfectly balances openness and privacy. This four-bedroom, three-bath layout welcomes you with an expansive living room, chef-inspired kitchen, and a cozy nook that opens to a covered lanai. The master suite is a true retreat with dual walk-in closets, tray ceilings, and a spa-like bath with a freestanding tub. Additional bedrooms provide privacy for family or guests, while the game room and three-car garage add flexible space. With ICI Homes' custom options, the Cypress can be personalized to fit your family's lifestyle beautifully.
